

Non-Fungible Acid Bears • Fuck Crypto, Real Family Shit

NFA = Non-Fungible Acid Bears — a triple-entendre nod to Not Fade Away and the crypto disclaimer "Not Financial Advice."

Live Music First

Picture a backyard or bar where a band rips China Cat Sunflower into I Know You Rider. Tie-dyes whirl. That's an NFA Bears show: fair-priced, no promoters—just heads organizing heads and funding bands, venues, and a growing treasury. Any member with a spot can spark the next gig.

Shakedown 2.0

At big shows we'll pop our easy-up on Shakedown: live art, a drum circle, street-team Bears miracling newcomers. Flash your badge for vendor deals. IRL > URL—tech only gets us together.

Hop on the Bus (Miracles Every Day)

Miracle Badge – Free. Minted in person; activate within a month by posting in Discord, shouting us out, or snagging another-show token—else it lapses.

Face-Value Badge – \$10. Same badge, pre-activated; your ten bucks fuels the fund.

Badge Perks

- Show entry discounts
- Vote on gigs, drops, budgets

Genesis Bears – 710 day-one NFTs. Holders can issue Miracles, enjoy deeper discounts, and grab first-dibs collabs. Badge = key to our 24/7 Discord lot — rides, tapes, memes.

Built for Love, Not Profit

All income feeds a transparent treasury we vote to deploy: pay bands, seed shows, buy gear, print art. No sell-outs, no rug pulls.

Keeping the Flame Burning

With Dead & Co.'s touring days done—Sphere residencies aside—and Phil gone, it's all too clear we're on our own to keep the fire lit. NFA Bears steps up so the family won't fade and the music never stops.

See you on the bus!
